12.3 Reimbursements

If any payment to be made to a party under or in accordance with this Agreement is a reimbursement or indemnification of an expense or other liability incurred or to be incurred by that party, then the amount of the payment must be reduced by the amount of any input tax credit to which that party is entitled for that expense or other liability, such reduction to be effected before any increase in accordance with the preceding sub-clause.

12.4 Tax invoices

Notwithstanding any other provision of this Agreement, the Recipient need not make any payment for a taxable supply made by the Supplier under or in accordance with this Agreement until the Supplier has given the Recipient a tax invoice in respect of that taxable supply.

12.5 Adjustments

If an adjustment event has occurred in respect of a taxable supply made under or in accordance with this Agreement, any party that becomes aware of the occurrence of that adjustment event must notify each other party to that taxable supply as soon as practicable, and all of those parties agree to take whatever steps are necessary (including to issue an adjustment note), and to make whatever adjustments are required, to ensure that any GST or additional GST on that taxable supply, or any refund of GST (or part thereof), is paid no later than 28 days after the
